# **INATS** CBMS-MITS PRE-SOLICITATION CONFERENCE

Current and potential industry partners are invited to join the Chemical Biological Medical Systems-Medical Identification and Treatment Systems (CBMS-MITS) Improved Nerve Agent Treatment System's (INATS) Pre-Solicitation Conference:

- Gain a better understanding of the INATS program and its acquisition objectives
- Discuss the Draft Request for Proposal (DRFP) in order to enhance contractor proposal preparations/submittals
- Interact with the INATS program management office
- Foster partnership/collaboration among industry participants
